

Descriptions and Photos

*Arbutus unedo*

Strawberry Tree

Ericaceae

Habit: Evergreen

Origin: Europe, Southern

Size: 10-30 ft. tall x 10-30 ft. wide

Flower Color: White

Leaves: 2 - 4 in long; serrated edges

Bloomtime: Fall/Winter

Exposure: Full Sun

Drought Tolerant: Yes

Irrigation Req.: Low Water Needs

Winter Hardiness: 15-20° F

*Arbutus 'Marina'*

NCN

Ericaceae

Habit: Evergreen

Origin: Europe, Southern

Size: 25-40 ft. tall x 10-15 ft. wide

Flower Color: Pink

Leaves: 4-5" long

Bloomtime: Year-round

Exposure: Full Sun

Deer Tolerant: Yes

Irrigation Req.: Low Water Needs

Winter Hardiness: 15-20° F

*Cinnamomum camphora*

Camphor Tree

Lauraceae

Habit: Evergreen

Origin: North Asia

Size: 35-50 ft x 40-60 ft. wide

Flower Color: White

Leaves: 1-4 in long.; oval

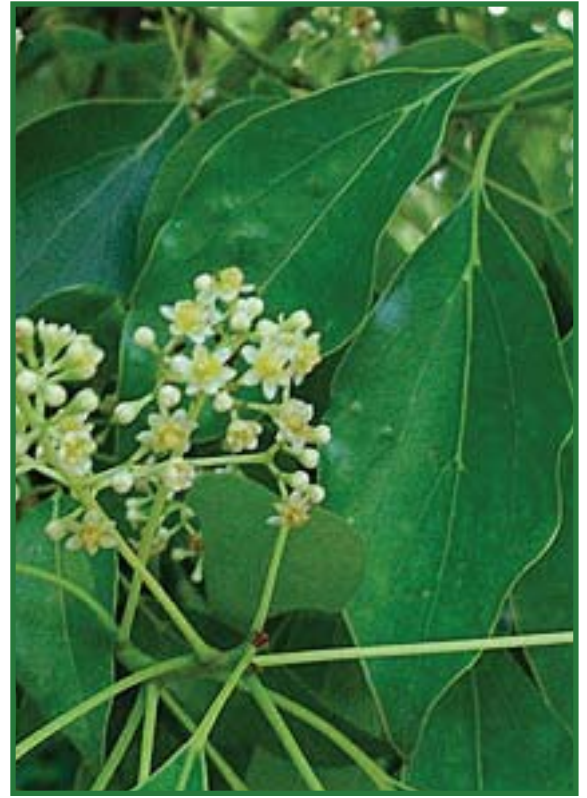

Bloomtime: Spring

Exposure: full sun or partial shade.

Soil: Prefers Sandy Soil

Irrigation Req.: Low Water Needs

Winter Hardiness: 10-15°F

*Laurus nobilis*

Grecian Laurel or Sweet Bay

Lauraceae

Habit: Evergreen

Origin: southern Mediterranean

Size: 20-40 ft tall x 20-40 wide

Leaves: 3-4 in; oval, dark green

Flower Color: creamy yellow

Bloomtime: Spring

Exposure: partial shade.

Irrigation Req.: Low Water Needs

Winter Hardiness: 15-20° F

Habit: Evergreen

Origin: South Mexico, S. America

Size: 30-40 ft. tall x 40-60 ft. wide

Flower Color: Greenish; not showy

Leaves: 4-8 in long; underside whitish

Exposure: Full Sun

Wind-tolerant

Drought Tolerant

Irrigation Req.: Low Water Needs

Winter Hardiness: 15-20° F

Habit: Evergreen

Origin: Australasia

Flower: catkin-like inflorescences

Leaves: scale-leaves (resembling needles) in whorls of 5-20

Size: 65 feet tall x 40 feet wide

Exposure: Full Sun

Irrigation Req.: Low Water Needs

Winter Hardiness: 15-20° F

Considered invasive species in United States
